

## Week Of April 9, '56 May Be Fair Time

BELLE GLADE — The week of April 9 has been set tentatively as Everglades Fair time, a citywide group of representatives constituting the new Fair board decided at an organization meeting Monday night.

The meeting followed a prior session last Thursday night, when representatives of the various civic and fraternal organizations met to bring the word from their groups as to whether to continue the Fair.

### MRS. DULANY IS LEAVING US

PAHOKEE — After 20 years of work on the staff of GLADES OBSERVER and its predecessor, The Pahokee News, Mrs. John A. Dulany is giving up her duties as senior correspondent for this newspaper.

She will continue to do special correspondence, such as farm stories and features, from time to time.

"Now we are hunting someone to try to fill Mrs. Dulany's spot on our staff—and it is a tough job," Publisher Allie O'Kie said this week in expressing regret at Mrs. Dulany's plans for departure.

Serving many years in the Thirties without pay, as a service to keep the community informed of Pahokee and Canal Point developments, Mrs. Dulany has worked at her typewriter during depression, hurricane, and family illnesses.

Outstanding in civic, church, and club work, Mrs. Dulany has served on county and local election boards for the past 20 years. She was the first woman on the board of Everglades Memorial Hospital, starting with the year the hospital was organized. During World War II, Mrs. Dulany was home nutrition chairman for the Pahokee-Canal Point area, and sponsored classes in home nutrition.

In service to the Methodist church, she is a member of the official board and of the Women's Society, as well as counselor of the senior MFX and president of Miriam Circle of the WSCS.

The latter was Mrs. Dulany while she was WSCS (Continued on Page 8)

### Pahokee Okays GS Area Council

PAHOKEE — The Pahokee representatives of Girl Scout activities voted to join the Area Council to be formed in January, at a meeting held Nov. 17, with Dr. Bob Allen of Belle Glade present to assist with the planning.

Mrs. Clyde A. Canipe was named neighborhood chairman. Mrs. S. P. Partridge, vice chairman of troop organization, Mrs. Edgar Wilder, secretary and treasurer, and Mrs. M. L. Lair, representative.

Representatives from the community include Mrs. C. E. Kennedy, Mrs. Norman A. Kennedy, Woman's Club; Mrs. E. C. Johnson, Mrs. Jack Phillips, Beta Sigma Phi Sorority; James H. Wilkinson, Jr., Lions Club; Dr. E. C. Johnson and Jack Spencer, Rotary Club; Spencer and Rev. A. D. Houghlin, First Baptist Church; Rev. J. E. Boyd, First Baptist Church; Rev. Kenneth Price, Church of the Nazarene; Louis F. Mims, Boy Scout leader; Col. Joe Orr, conservation group.

Mrs. E. L. Pope, Chamber of Commerce; Mrs. Marie Fulton, American Legion and auxiliary; Dr. Johnson, Elks; members at large, Mrs. Eugene Pickens, and Mrs. John A. Dulany.

Pahokee Girl Scout activities are to get underway after the first of January, according to Mrs. Canipe.

### LAST CHANCE

Next Wednesday is the last day now or renewal subscription payments will be credited in part to the Belle Glade Swimming Pool Fund, under OBSERVER's Project No. 1 to help with the Glades project. Putter-offers in the Belle Glade-South Bay area are urged to take pen and checkbook in hand. (See page 4).

Allen stressed the need for quality, not quantity, for a community event such as the Fair. He traced the history of Florida's fair traditions, including control of carnivals by making local groups responsible for the state-holiday, assistance of the RDB and himself personally. Allen said that any failure in the county reflects on the whole county, and warned the committee again to start small and not too big.

"Merchants are the showcase of the community, and in building a fair, they are building the community," Allen told his listeners.

Bringing in all Glades communities, encouraging entries in such categories as the proposed flower show, vegetable, wildlife, homemaking, and other accomplishments was planned.

At Monday's meeting, Dale Ellis, Bond & Ski Club representative, was elected president of the Fair board of directors. Joe Friedheim, representing the American Legion, was named secretary, and Urban Felsing, director-at-large, treasurer. Director-at-large Edwin Young was named secretary, and Director-at-large Rosa Nash will handle publicity.

Forty percent of directors present will constitute a quorum at future meetings, the board decided.

Felsing will direct the various organizations including Vernon Dexter, Jaycees; Uceba Carriers, Business & Professional Women's Club; R. W. Lanier, Chamber of Commerce; Mr. and Mrs. Dick Hodges, Boy Scouts and Garden Club; Emil Wolf, Lions Club; Mrs. John Kinlaw, Jay-Ceets; Dr. R. J. Allen, Jr., Girl Scouts; Mrs. E. C. Johnson, Benevolent Association; Mrs. Thomas Bregger, Woman's Club; Mrs. Roy Litchfield, FFA.

The regular ladies' night will be marked by the Jaycees on Thursday, Dec. 1, when in addition to the ladies, guests of the club will be the Belle Glade football team and their dates. Also on hand for the evening will be the majorettes from the high school, who will provide the evening's entertainment.

### DANLEY RITES IN DEFUNIAK

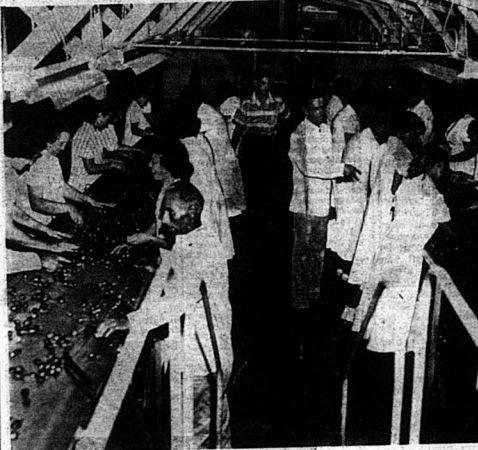

CHOSEN — Funeral services and burial for V. L. Danley, 36, Chosen carpenter, who was killed in a collision with a north bound freight train at the FEC crossing on Airport Rd. in Belle Glade Sunday morning, were held in Defuniak Springs, Fla.

Mr. Danley was born in Sam Houston, Texas, and made his home here for the last 10 years.

He leaves his widow, Mrs. Dora Danley of Chosen; two daughters, Frances and Jeanie, both of Chosen; his parents, Mr. and Mrs. Billy Danley of Darrington, Fla.; and five brothers, W. S. Danley of Houston, Ala.; W. S. Danley of Yonkers, N.Y.; Tank Danley of Haverhill, Fla.; R. B. Danley of Dan Danley, both of Darrington.

Wetherington Funeral Home had charge locally.

The contingent of Antartica is estimated to be an area of six million square miles—approximately the area of the United States and Europe combined.

### DEVILS TAKE RAMS 27-7, ALSO BILL YOUNG TROPHY FOR SIXTH

The traditional Thanksgiving Eve gridiron battle between Pahokee and Belle Glade came to an unexpected ending Wednesday night, when the Blue Devils of Pahokee raved over the Golden Rams of Belle Glade 27-7.

Both teams concluded the season before a crowd of 3,500, in a flurry of homecoming chrysanthemums and halftime and game's end color.

For Belle Glade, the season closed dismally, with the Rams record of one win and seven defeats. For Pahokee, the Suncoast crown would not be theirs for a second year, but the worst the Devils could do was third place in the Suncoast League, with the possibility of second ending on the outcome of the Ft. Pierce-Vero Beach battle.

Pahokee accepted the Lions' Bill Young Memorial Trophy at the end of the game, for the third consecutive year, and for the sixth time since it was first awarded in 1943.

The Blue Devils took the kick at 10:00, and the game was on. Fullback Weldon Cardin gained another 25 yards, and Quarterback Buddy Parker, playing his last game for the Devils, went on for the TD. Clark Clark took Parker's pass for the point. Parker went 80 yards on his next set of plays toward yard line, and Lili Pat Turberville took up the three yards to TD. Just after the second quarter began, the Rams' QB George Cox fumbled, and Devils' Tackle Ronnie Berry, a fast man for flinching fumbles, recovered. Parker passed to Clark for the 21 yards adding another yard, and Dick Weeks went for the extra point, bringing the score to 20-0 for the Devils.

In the third quarter, Parker-Clark worked again, with the former passing 22 yards, running to the one, and then going in. Turberville ran the extra point.

Belle Glade scored in the fourth quarter, going 65 yards as Larry Harris passed 21 to Johnny Miller. Stalwart Leon Burkett went in for the TD and made the extra point.

The halftime show featured both bands stepping smartly through their musical paces. Sponsors introduced before the game were Kay Mauldin, Kay Friend, Betty Echols and Anne McIntosh for Devil Scouts; Clark, Parker, Berry, Turberville, Alfred Kahn, Dow McClelland, Homer Latham, Rex Andrews, and John Herwig and Belle Glades Louise Taylor and Jo Margaret Parson for Captains Don Tanner and Wayne Bair, J. C. Womack, Miller, Willard Garrett, Leo James, Jim Dooley and J. P. Jones.

### SCHOOL BOARD'S EARWOOD ADDRESSES CP LIONS

CANAL POINT — Henry Earwood, vice chairman of the Palm Beach County Board of Public Instruction was guest speaker of Canal Point Lions Club Monday night.

Introduced by Principal Carl Crawford, Earwood spoke on the tremendous problem of attempting to provide school classrooms in the county in keeping with the increased population, and related school problems.

HIGH - SPEED, START-TO-FINISH, radish processing equipment is shown in operation at day's peak at Harold Rabin Co., Inc., Belle Glade. Center background of picture are J. M. "Bubber" Cerniglia, in striped shirt, assistant general manager of the company, and R. D. Hardaway, of Pahokee, who with J. R. Davidson manages the radish processing operation. Equipment can handle 30 acres of radishes a day, or 3,500 bushels, at present is running half-speed.

### Administrator In For EMH Job

PAHOKEE — R. L. Klezik, new administrator of Everglades Memorial Hospital, arrived here Monday and has been spending a week of familiarization with the hospital's outgoing Administrator Jesse Reel.

Klezik, retired naval lieutenant commander, came here from Norfolk, Va. He has spent most of his career in hospital management, with World War II service in the Pacific theater and his last assignment, 1951-54, as administrative officer of the naval hospital at Portsmouth, Va.

Klezik's wife and son will join him here shortly. Another son plans to spend the Christmas holidays here during his college vacation.

The new administrator is a fellow member of the American College of Hospital Administration.

### CRANE HOIST FALL HURTS 2

OKEELANTA — Earl Scott, South Bay, and Alfonso Allen, of Belle Glade, were in "satisfactory" condition at Belle Glade Monday, a week after they sustained severe injuries in an accident at Okeelanta Sugar Mill last Thursday night.

"Old Stuf Leg," the big crane hoist at the mill, toppled off its concrete perch after a guy wire broke.

The five-ton hoist fell some 15 feet, landing on a pile of cane. Allen sustained a broken neck, and Scott a broken collar bone and two fractured ribs.

### 4 LOCAL BOYS ATTEND SUN LAKE ANGUS SALE

BELLE GLADE — Four local FFA boys, Neal Livingston, Cecil Harrell, John Henry Lutz, and Dean A. Leach, accompanied by George Young, and Sam Lovell attended the Friends of Sun Lake sale at the Kismat Livestock Auction Market Saturday.

Ninety purebred, registered Aberdeen Angus heifers and 20 bulls were offered in the sale. Registered Aberdeen Angus heifer and a bull were given away as attendance prizes to members of the FFA who had registered prior to the opening of the sale, attended by FFA and 4-H members from throughout the state.

There is only one direction from the geographical South Pole: North.

## Moving Day Is Mon. For Pahokee C of C

PAHOKEE — Monday will be moving day for the Chamber of Commerce, when the C-C office moves to the Gamot building on E. Main St.

Previously located at the corner of Main St. and Lake Ave., the Chamber recently was notified to vacate for another tenant. So Monday, with Secretary Miss Pope at the head of the procession of file cases, furniture, and literature, the C-C will move into facilities twice as large as those occupied since the reorganization of the Chamber several years ago.

### AREA FACULTY IN NEW CLASS

Twenty-nine teachers, representing the schools of the Glades area, including five from Hendry county, have organized an extension class to find better ways that migrant children may be taught.

Miss Elizabeth Sutton, supervisory of the pilot migrant advisory program for Palm Beach county, who works with teachers from all schools of the Glades communities, said the next meeting of the class will be Dec. 9 and 10 at Belle Glade high school.

The extension class, organized under guidance of Florida State University and Dr. Hazel Curtis, will meet periodically through March, Miss Sutton said.

Set up on a workshop basis, the class will invite other teachers and persons close to the migrant education program to participate from time to time.

Miss Sutton said plans are under way with Florida A & M to set up a similar extension class for Negro teachers of this area.

### Merchants Ready For Future Plans

BELLE GLADE — The merchants' committee of the Belle Glade Chamber of Commerce reorganized Tuesday night and took off immediately on plans for a children's Christmas parade.

The committee, with Urban Felsing as chairman, reactivates a section of the C-C long dormant, according to President R. W. Lanier. Other members meeting Tuesday were Kenneth Lutz, W. Ingerson, Richard Murray, and Larry Royal.

Subject to approval of the C-C board of directors at a later date, the committee started plans for a Christmas parade to include mounted and bicycle divisions, with prizes for the best-decorated rider and horse or bike; a Santa float, with Santa himself to give out candy at the end of the parade; a prize for best-decorated private car, with a big prize especially and to be given to the community.

Letters of invitation will be sent to all communities of the Lake area inviting their participation, in the form of bands, glee clubs, and young people's groups, to compete for prizes.

Such organizations as the Boy and Girl Scouts, Cub Scouts, FFA, and FFA will be among those included.

Merchant participation will be welcomed, but no prize will be given for floats or other entries by commercial groups, the committee decided.

Contact for prizes and prizes for the next meeting of the committee on Tuesday, will include Ingerson, Lutz, downtown merchants, Felsing, service stations and auto and farm equipment stores. William Graber, farmers and packing houses, and Murray, all medical and drug supply firms.

The Prince Theatre, Pahokee, voted as follows: best performance by an actor placed Gary Cooper first and Glenn Ford second, and best performance by an actress, Elizabeth Taylor first and Doris Day second.

The most promising new personality has Tim Hovey in the lead and Tab Hunter second among the actors, and puts Lori Nelson first and Patsy Lee second in the most promising new personality among the actresses. Best picture vote gave "Blackboard Jungle" first position and "Rear Window" second.

Hugo & Lake Tally The group and Lake Drive-In, Belle Glade, votes Glenn Ford first and Humphrey Bogart second as the best performance by an actor and for the best performance by an actress gives Doris Day first and Marilyn Monroe second.

Most promising new personality, among the actors, Tim Hovey first and Tab Hunter second, and among the actresses, Terry Moore is voted the most promising new personality and Peggy Lee gave "Blackboard Jungle" first position and "Rear Window" second.

The Gold-Dobrow management said that the final tabulation will be at the close of the poll Sunday.

### 480 Cattle Sold At Market Mon.

BELLE GLADE — Four hundred sixty cattle sold at Glades Livestock Market Monday, at a total of \$50,836.55, Manager George C. Young reported.

Sixty percent of the number and 64% of the dollars went for steers, he said.

The price summary follows:

### 1st AUDIENCE POLL RESULTS

Mrs. George Tucker, Jr., president of the Pahokee Woman's Club, assisted by Mrs. W. Ingerson, supervised the counting of the first votes cast in the "audience awards poll" at the main office of the Gold-Dobrow Theatre and this week announced the tabulation as of 3:30 p.m. Tuesday.

The Prince Theatre, Pahokee, voted as follows: best performance by an actor placed Gary Cooper first and Glenn Ford second, and best performance by an actress, Elizabeth Taylor first and Doris Day second.

The most promising new personality has Tim Hovey in the lead and Tab Hunter second among the actors, and puts Lori Nelson first and Patsy Lee second in the most promising new personality among the actresses. Best picture vote gave "Blackboard Jungle" first position and "Rear Window" second.

Hugo & Lake Tally The group and Lake Drive-In, Belle Glade, votes Glenn Ford first and Humphrey Bogart second as the best performance by an actor and for the best performance by an actress gives Doris Day first and Marilyn Monroe second.

Most promising new personality, among the actors, Tim Hovey first and Tab Hunter second, and among the actresses, Terry Moore is voted the most promising new personality and Peggy Lee gave "Blackboard Jungle" first position and "Rear Window" second.

The Gold-Dobrow management said that the final tabulation will be at the close of the poll Sunday.

LET'S GO SIGHT SEEN:  
When you are coming to Wash-  
ington? This city is the nation's  
number one tourist spot. And  
the number one attraction in  
town is the Lincoln Memorial.  
Last year, more than 1,700,000  
persons visited the Lincoln Mem-  
orial. (It's easier to park at the  
Lincoln Memorial—and no wait-  
ing!)

If you are planning to come  
to Washington for a visit, clip  
this column and save it. Here  
is an efficient routine for you  
to follow.  
Your first stop should be the  
Senate Office Building and  
pass for the House of Repre-  
sentatives or the office of Senator  
Smithers. There, courtesy says  
you should sign the book—and there  
you may pick up passes for  
yourself and family for en-  
trance to the Senate Gallery.  
Passes for the House of Repre-  
sentatives must be obtained from the  
office of your Representative—and  
you may ask in the Senator's  
office where you should pick up  
these other passes.

Next you should go to the  
basement of that same building.  
There you ride (free) on the  
tiny electric train to the Cap-  
itol. And up the elevator to the  
main floor. Spend 25c and join  
a guided tour of the building.  
After that, visit the Senate if  
it is in session—then walk (no  
electric train time) to the  
House Office Building. (Ask  
your guide which one—there  
are two—the "Old" and the  
"New").

There you will visit your con-  
gressman's office—sign another  
guest book—and return to the  
Capitol for a look in the  
House Gallery. Almost like the  
Senate—but not quite.  
You are now on "Capitol  
Hill" and while here you should  
visit the Library of Congress  
(the big building with the green  
roof) and two blocks to the left,  
the Supreme Court Building.  
Here you might be lucky  
enough to see the Court in ses-  
sion.

If you are interested in  
Shakespeare, you should drop  
by the Folger Shakespeare Li-  
brary—just across from the Su-  
preme Court Building. This is  
for scholars—it's too quiet and  
"uncolorful" for most folks.  
But, wonderful for school teach-  
ers.

Hungry? A number of res-  
taurants on the "Hill" but there  
are two places to eat in the  
Senate building, several in the  
Capitol and one cafeteria in the  
New House building. The signs  
say "For members and their  
employees only." It's okay to  
eat there if you barge right in  
as though you belonged—no-  
body will run you out. But,  
don't ask anyone—they might  
tell you "no."

If you have your car, drive  
down to Mt. Vernon (plan two  
or three hours for this). Then  
come back to Arlington Cem-  
tery.

You will pass the world's lar-  
gest office building—the Pen-

BY SCHATZI

I get the routine now.  
All this time I'm reading our  
little Junior Schmotz spending  
the night at a friend's house,  
and one thing and another along  
these lines.

All this time I've thought this  
was pretty silly. Like the book  
says—you make your own bed  
and you lie in it, or ought to.  
So why lie here and there?  
Only I caught on to the racket.

In my case, it was an evening  
of people-sitting I had to do,  
because a good friend of mine's  
dog Blackie Simmons was in the  
hospital. So I smartarined in by  
invitation, to fill the void left  
by Blackie's visitation to the  
hospital.

I arrived conveniently at the  
dinner-hour. I nabbed not a few  
handouts from the table. After  
hunner, I got laid jauntily up on  
the sofa. Did anybody bowl me  
out? No, I was welcomed, not  
reprimanded.

After that I tried out each  
and every chair. Again—not a  
yap out of anybody. At bedtime,  
I was tucked in with solicitude,  
not let to wander out to a  
cold damp sack.

In the morning, I was wakened  
by a gentle voice, and, I  
worked.

I got half can of dog food in-  
stead of that eternal, thinning,  
hunger-helping third of a can.  
Beating my teeth in friendly  
fashion, I waltzed out of doors  
and relaxed in the sun.

Then I was taken home.  
If anybody thought I had a  
self-satisfied look, I did.  
Only one little disturbing  
thought comes to mind as I re-  
view this lovely people-sitting  
kick.

What happens at my house if  
I ever have to go off to the hos-  
pital for a while.

Oh?

tagon, which houses the Depart-  
ment of Defense. Thirty-five  
thousand people work here,  
with parking room for 9,500  
automobiles. Don't bother to  
stop! It has interesting points,  
but it takes too much time to  
park and walk in—besides some-  
tells of one visitor who was  
lost there six weeks—and when he  
finally found his way out he  
was a Lt. Colonel in the Air  
Force.)

Follow the signs to Arlington  
Cemetery—where you were  
headed. There you will visit the  
home of General Robert E. Lee.  
And a must on your list is one  
of the most unforgettable sights  
in the country—the changing  
of the guard at the tomb of  
the Unknown Soldier.

Now, if it's anywhere near  
4 o'clock—head for your hotel.  
The traffic jam begins at  
4:30—and in Washington that  
murder. (Next week, we'll fin-  
ish our tour around town for  
you.)

## FLORIDA PHOSPHATE MINES PRODUCE \$60 MILLION YR.

Florida phosphate mines, the  
end of 1954, had produced 9-  
730,351 tons of marketable  
phosphate which brought \$60-  
000,000 at the mines.

Volume was up six per cent  
over 1953 and accounted for 74  
per cent of the national output.  
Florida's average volume for  
the five years, 1945 through  
1949 was the same as last year.  
During the interval since 1949  
the state's proportion rose as  
high as 79 per cent. That was in  
1950. Last year Florida accounted  
for one-third of the estimated  
world volume of phosphate  
sales.

The national volume was up  
four per cent last year. In 1955,  
the Florida State Chamber  
of Commerce commented this  
week.

Phosphate beds originate  
from the bones of prehistoric  
animals deposited millions of  
years ago. Interestingly, the  
current extensive use of phos-  
phate in agriculture makes pos-  
sible more and better plant and  
animal life. Phosphate is mined  
today in Tennessee, Idaho, Mon-  
tana and Wyoming, in addition  
to Florida.

Uses of Florida phosphate are  
itemized in this week's business  
review of the state Chamber's  
research and industrial division.  
Sixty-eight per cent was used  
in agriculture, 12 per cent was  
exported to foreign countries.  
Agricultural uses include ordi-  
nary and super phosphates, soil  
additives, stock and poultry  
feeds and fertilizer fillers. In-  
dustry consumed phosphate in  
the manufacture of elemental  
phosphorus, ferrophosphorus  
and phosphoric acids.

Small amounts of uranium  
(three or four ounces to a ton)  
are contained in Florida phos-  
phate. Processing plants recover  
this valued mineral from the  
phosphate. However, the total  
value of uranium produced in  
Florida is relatively small as  
compared with the value of the  
phosphate itself.

## POTATO GROWERS ELECT OFFICERS

At the annual director's meet-  
ing, of the Florida Potato Coun-  
cil, an affiliate of the Florida  
Fruit and Vegetable Associa-  
tion, held recently at the Or-  
lando offices of the association, L.  
A. Masters, Hastings, was re-  
elected chairman, according to  
Joffre C. David, Orlando, re-  
elected secretary-manager.

Also elected were Walter Per-  
erson, Goudis, vice chairman,  
and J. Emmett Kelly, Ft. Myers,  
who was elected to serve with  
the chairman and vice chairman  
of the three-man  
executive committee.

## Water Is Necessary Part of Putting Gain on Stock; Boosting Milk Output

By IRA MILLER  
Farm Electrification Bureau

Running water, when and where it's wanted, and in the amount needed,  
is just as important as feed when it comes to putting gains on livestock and  
in maintaining top milk production.

Frosty mornings hold no terror for this prize Angus bull. His watering  
trough is heated electrically and filled automatically.

According to one agricultural au-  
thority, it takes 90 gallons of water  
to put a pound of weight on a steer.  
Further, he says that a 200-pound  
bull will drink 20 gallons of water  
a day; calves from 45 to 55 gallons,  
yearling steers from 7 to 11 gallons,  
and a 2-year-old steer a minimum of  
10 gallons—even more on hot days.  
Average producing dairy cows will  
drink from 15 to 25 gallons of water  
or more each day in mild weather.  
Heavy producers consuming as much  
as 30 gallons daily.

This expert also figures that cows  
drink around 5 1/2 gallons of water  
per day when suckling infants, where-  
as even nursing lambs will drink a  
quart or more each day. Lambs, fat-  
tened in dry lots, will drink a gallon  
or more each day in mild weather.  
That's a lot of water. And, if you're  
carrying it from the pump you've  
got a big job that could lead to a  
mighty sore back in time. If you're  
not providing all the water your  
livestock needs, you're short-chang-  
ing yourself in the market.

Pressure water systems can take  
over this big job and do it easily and  
more efficiently. Of course they cost  
money. But in these days of stiff  
competition on all fronts, top produc-  
tion at low labor costs pays off. Time  
is a big factor in farming. Hours  
spent carrying water that can be de-  
voted to more productive work do  
not add up to economy.

The pictures presented with this  
"water for production" report show  
three ways that farmers can bring all  
the water they need to the right  
place automatically and, when neces-  
sary, prevent stock tanks from freeze-  
ing.

so named by the crew of the

In spite of the millions of dol-  
lars spent by the U.S. in ex-  
ploring the Antarctic continent,  
no move has ever been made to  
claim any portion of Antarctica.

## MRS. MEREDITH PRESENTS THANKSGIVING DEVOTION

"Offer Unto. These Thank-  
sgiving" was the topic of the de-  
votional presented by Mrs. Ruth  
Meredith Monday at the Miriam  
church meeting of the Pahokee

## SCIENCE IN YOUR LIFE

### Versatile Antibiotics

Antibiotics have turned out to be one of science's most versatile discoveries.

First they turned mortality tables upside down in the treatment of human diseases. They put more food on our table by stopping costly plant and animal diseases, too.

Then scientists found that tiny amounts of antibiotics added to farm feeds boosted weight and growth rate of animals and poultry.

Now scientists report that antibiotics can be used to keep meat fresh for several days without refrigeration. Researchers of Chas. Pfizer & Co., Inc. told of this latest use at the Third Annual Antibiotics Symposium in Washington, D.C.

The investigators pointed out that only limited amounts of meat can be handled by drying, salting, smoking, canning and pickling. Most fresh meat is distributed either by rapid handling in countries without refrigeration, or by chilling.

In countries such as the U.S. and Canada, antibiotics can undoubtedly be used along with refrigeration. In areas without adequate refrigeration, antibiotics may help to deliver a more wholesome product to consumers.

## IT'S UP TO YOU

By Howard E. Kershner, L.H.D.

An effort is being made to stop subsidizing silver and to permit the free market to operate in that metal.

We often point out, subsidizing one industry starts a train of dislocation which runs throughout the economic fabric, not only of our country, but of the whole world.

It is worth recalling that the artificially high price established for silver in the mid-thirties drew the white metal from Mexico to the United States and was one of the reasons leading to inflation and financial difficulty in that country.

The effect was even more disastrous in China, where a silver standard currency had long existed. The high prices being paid here, not only for domestic but for imported silver, drained that precious metal away from our Chinese friends and deprived them of the basis of their monetary system. The resulting inflation which began there more than twenty years ago, greatly handicapped Chiang Kai-shek and was, no doubt, one of the main reasons leading to the communist triumph in China.

Debauching the monetary system is always a prime target of the communists.

Tempering with the free market and attempting to favor this or that group at the expense of others is the way to destroy economic well-being and lessen human satisfaction.

## WORLD OF GEOGRAPHY MARKS LA GORCE 50th ANNI.

WASHINGTON—Fifty years ago, a young newspaperman named John Oliver La Gorce took a job with a Washington scientific society whose total staff then numbered three.

The organization was the National Geographic Society, 17 years old in 1905. It published a slim scholarly journal that went to a few thousand members, chiefly professionals interested in geography as an abstract science.

Today, the National Geographic Society has a membership of 2,150,000 living in every country on earth. Its staff now numbers some 900 employees. The young man, John Oliver La Gorce, has become the Society's president and the editor of its well-known National Geographic Magazine, whose subjects embrace the world and living geography in the broadest popular sense.

In recognition of Dr. La Gorce's golden anniversary with the society, and of the part that he has played in making its name a household word, the Geographic's board of trustees honored him at a dinner Nov. 17 at the Chevy Chase Club, Chevy Chase, Md.

## Weddings and Engagements

### HILLIER - FOWLER

Miss Thelma Jean Hillier, daughter of Mr. and Mrs. Dorman M. Hillier, Pahokee, and Kinsey McClure Fowler, son of Mr. and Mrs. Clovis J. Fowler, Hawkinsville, Ga., were married Sunday, Nov. 20 at 12:15 o'clock, at First Baptist Church at Hawkinsville where the couple will make their home.

Lewis Jackson Fowler, brother of the bridegroom, was best man and Mrs. William Pease, Augusta, Ga., sister of the bride, was matron of honor and the bride's only attendant. She wore a ballerina length dress of pale green crystalite and carried a nosegay of pink roses.

Given in marriage by her father, the bride wore a dusty rose satin crystalite dress with fitted bodice of Chantilly lace and carried a bouquet of white orchids.

### MILLER - SEYLER

Mr. and Mrs. J. L. Miller of Chosen have announced the marriage on Nov. 10 of their daughter, Eleanor, to Alva Seyler, son of Mr. and Mrs. P. D. Seyler of Belle Glade and Jacksonville.

The ceremony took place in West Palm Beach with only the immediate families of the couple present. They were attended by Mr. and Mrs. Jack Parker. Mrs. Seyler, a graduate of Belle Glade high school in the class of 1949, has been employed for several years at the ramie laboratory at the Everglades Experiment Station. Mr. Seyler, who is associated with his father in the produce and farming business, was an overseas veteran of World War II, and attended Miami University.

The couple are making their home at Ave. A and Second St.

### COWART - BERRYMAN

Miss Carol Ann Cowart, daughter of Mr. and Mrs. E. Lewis Cowart, Canal Point, became the bride of John Dudley Berryman, son of Mr. and Mrs. W. F. Berryman, Indianapolis, Ind., at a double ring ceremony held Nov. 20, at Canal Point Baptist Church at 4 o'clock, with the pastor, Rev. Joe G. Clements, officiating.

Altar decorations consisted of baskets of rose and white gladioli against a background of potted palms and lighted white tapers in branched candelabra. The pews for members of the families were marked with white satin bows. Nuptial music was played by Miss Margaret Powell, pianist, who also accompanied Robert O. Lampi, baritone.

The bride, given in marriage by her father wore a ballerina length gown of embossed white satin with portrait neckline. Her fingertip veil of illusion was attached to a cap of beaded Chantilly lace. She carried an old fashioned bouquet of lace and white carnations with white satin streamers. Miss Julia Cowart attended her sister as maid of honor and wore rose satin with matching shoes and hat and carried a bouquet of orchid-colored carnations.

Don Mucklow of Miami Beach was best man. Ushers were Ronald Berry, Pahokee, and Billy Cowart, Belle Glade, cousins of the bride. Mrs. Cowart, mother of the bride, wore navy and white with white accessories and a corsage of white carnations.

A reception was held in the social rooms of the church with Mr. and Mrs. Cowart as hosts, assisted by Mrs. M. D. Geiger, Mrs. C. L. Stuart, Mrs. Grady Echols, Mrs. Sam Berry, aunt of the bride, Mrs. C. H. Phillips, sister of the bride, presided at the guest book.

The bridal couple is living at 402 Southwest 2nd Street in Miami.

Out-of-town guests included Mr. and Mrs. Andy Milliken, West Palm Beach; Mr. and Mrs. Walter Milliken, Fort Myers; Sgt. and Mrs. C. H. Phillips, Opalocka; Mr. and Mrs. S. B. Cowart, Belle Glade; Mrs. Shirley Leskey, Miami; Roy Bryant and daughter Miss Francine Bryant, Princeton.

# GLADES CLUB EVENTS

## BC WOMAN'S CLUB SEES

### BRATLEY'S ALASKA SLIDES

The Belle Glade Woman's Club last Wednesday afternoon enjoyed a special program when Mr. and Mrs. Hugh Bratley showed colored slides and movie of their trips to Alaska and Hawaii and told about the highlights of these trips.

Mrs. William Thiebaud opened the meeting with the devotional, selecting, because the program was on travel.

Mrs. Thomas Bregger, president, presided over the business session. She announced that she and Mrs. L. I. Price attended the fair committee meeting and reported on the plans for the fair.

Mrs. Bregger reported on record favoring a good fair for Belle Glade, and voted to continue with the committee on it.

It was decided to have the chair seats in the club house covered in plastic material. It was voted that the club would back up the fund raising campaign which will be held soon.

Mrs. William Wall was named member to serve on the fund raising committee. Mrs. Bregger reported that she has secured the Episcopal parish house for the December meeting, which will be an eventful party for the members.

There will be a toy box at this meeting and members are requested to bring new or good used toys to put into the box for distribution to deserving families.

The club voted to join the Palm Beach County Mental Health Association at a cost of \$10. Following the meeting refreshments were served by the hostesses, Mrs. John Tabit, Mrs. Harold Rabin, Mrs. Russell Tucker and Mrs. William Wall.

**BC WOMAN'S CLUB YULE PLANS MADE**  
Mrs. Bert Roemer, program chairman, has announced that plans are complete for the Christmas party which will be on Dec. 9 at 8 p. m. at the Episcopal church house.

Members are asked to invite their husbands, or another guest. Mrs. Roemer has announced that Mrs. J. W. Malcolm will be in charge of the evening's entertainment. The hostesses will be Mrs. Roy Litchfield, Mrs. Lois Ruff, Mrs. C. C. Livingston, and Mrs. D. R. Kemper.

**JAY-CEITS MEET AT COUNTRY CLUB TUES.**  
The Belle Glade Jay-Ceits met Tuesday evening at the Country Club. Mrs. Basil Cook presided over the devotional. Mrs. Claude Jones reported that \$139 was made on the recent rummage sale, and will be donated to the Swimming Pool Fund.

It was reported that the club has worked on mending and other tasks at the hospital for two days. Members voted to prepare a Christmas basket for a needy family.

## BWP PLANS PUBLIC MEET

### ON AMERICANISM DEC. 6

A program on "Positive Americanism" with Rep. Paul Rogers as principal speaker, will be open to the public under the sponsorship of the Belle Glade Business & Professional Women's Club Tuesday, Dec. 6 at the Country Club.

Cooperating to make the affair a community-wide one are the Rotary, Lions, and Jaycees, according to Miss Elizabeth Sutton, program chairman. The BWP of Pahokee and Belle Glade will be in invited to attend and participate in the program, Miss Sutton said.

Displays and information on Americanism from Washington should be on hand at the public meeting.

**IT'S UP TO YOU**  
By Howard E. Kerchner, L.H.D.

Lenin, who was the bridge between Marx and Stalin, was the first to take Eastern Europe; then the masses of the United States of America which will be the last bastion of Capitalism. We will not have to attack it; it will fall like an overripe fruit into our hands.

The first two clauses of this prophecy have come to pass. The communists have not yet taken place and it need not happen if our people become quickly alert to the significance of modern events.

Lenin said, "We will not have to attack it; it will fall like an overripe fruit into our hands." So it will if we keep chipping away at freedom by constantly enlarging the power and function of our government and by increasing government interference and gradual socialization of our economy. Excessive taxation, deficit spending, unemployment, inflation, all of which flow from a loss of faith in God, are a fraud, a delusion, a security from Him to the state will, if continued, and as Lenin predicted, cause the fall of this country and make it unnecessary for the communists to wage war against us.

Dimitry Z. Manulsky, the Russian President of the UN Security Council in 1949, said to the Lenin School of Political Warfare in Moscow:

"The bourgeoisie will have to be put to sleep. So we shall begin by launching the most spectacular peace movement on record. . . . The Capitalist countries, stupid and decadent, will rejoice to cooperate in their own destruction."

Manulsky is at least partly right. Many people do seem to "rejoice to cooperate in their own destruction." Those who advocate "standing" and "cooperating" with Russia would do well to remind themselves that these communist tyrants of Moscow have always planned and are still planning our destruction. Any appearance of cooperation, trade, compromise or proposed "peaceful" co-existence which they put forward is intended to allay our fears and make it easier for them to destroy us.

## BELLE GLADE OES HAS ADVANCE NIGHT

Belle Glade Chapter No. 197, OES held its annual advance night meeting last Thursday evening when the line officers advanced one station.

Mr. and Mrs. Joe Roberts, past patron and past matron of Allapattah Chapter No. 194, and Mr. and Mrs. Don Houston, members of Allapattah Chapter and Mrs. Chester Zumpf, now living in Belle Glade, but a member of Home Chapter in Fessenden, N. D. were introduced as special guests.

The altar was draped in memory of Pearl John Beaschum, past patron of the Home Chapter, who died on Oct. 16, 1955. Plans were made for the Dec. 15 service when Miss Esther Livingston, worthy grand matron will make her official visit, and for a banquet to precede this meeting.

The chapter went on record favoring a good agricultural fair in Belle Glade. It was announced that a proficiency test would be given in Moore Haven on Nov. 20.

The acting worthy matron, announced the annual memorial service, held in memory of deceased members, will be promptly at 3 p. m. on Sunday, Nov. 27 at the Benevolent Hall. Following the meeting, refreshments were served by the hostesses for the evening, Mrs. Sally Stein, Mrs. Jessie Simmons, and Mrs. Ruby Kirk.

## STITCH WITCHERY SHOWN AT HD CLUB MEETING

"Stitch Witchery" was demonstrated by Mrs. David Motes at the Home Demonstration Club meeting held Thursday afternoon at the Belle Glade Woman's Club House, Miss Mary Todd, county home demonstration agent showed samples of decorative and ornamental stitches which could be used to decorate Christmas gifts. Both used sewing machines in demonstrating the special stitches.

At the business session, election of officers was held with Mrs. E. W. Scheffer being elected president; Mrs. Milton Giese, secretary; and Mrs. Urban Felsing, treasurer.

Mrs. W. J. Rawls was chosen as delegate.

The December meeting will be a Christmas party. Following the meeting refreshments were served by the hostesses, Mrs. Giese and Mrs. Della Altman. Five visitors and 15 members were present.

## BC BETA SIGMA PHI PLEDGES HONORED

The annual fall dance honoring pledges was given by Belle Glade Beta Sigma Phi Sorority at the Country Club last Saturday evening. Pledges honored were Mrs. Ted Roman, Mrs. William Graber, and Mrs. Thomas Baker. Preceding the dance the ritual of jewels was conferred on Mrs. Bert Hopson, Mrs. John Munroe, and Mrs. Charles Godwin.

This ceremony was conducted by Mrs. J. E. Jones, assisted by Mrs. Louis Kirchman, Mrs. F. W. Cross, Jr. and Mrs. Harold Zumpf. Background music was played during the ceremony by Mrs. James Williams, and Mrs. Lorenzo Collins sang. Eddie Crow's orchestra played for the dance which followed, from 10 p. m. to 2 a. m. Breakfast was served following the dance. About 20 couples attended. Decorations throughout the hall carried out the Thanksgiving theme.

# 3 DITHANE

## FUNGICIDES

for tomato disease control the way you want it

A choice of three DITHANE fungicides now enables you to get maximum protection against tomato disease... and to do it with the DITHANE that's best for your growing conditions and methods of application.

Whatever your choice, you can be sure of controlling all the major tomato diseases—late blight, gray leaf spot, early blight, Septoria leaf spot, anthracnose, and gray mold. What's more, all DITHANE fungicides give high rating protection against these diseases at reasonable cost.

Follow a regular spray schedule with the DITHANE fungicide you prefer, and see for yourself that tomato plants stay free of disease even under the worst blight conditions. In addition, the vines maintain a healthy, vigorous growth all season, and the yields improve in quantity and quality. You will also find that DITHANE, when used according to directions, is safe for fruit and foliage, harmless to equipment, and easy to mix.

Choose the DITHANE fungicide that you prefer from this list: DITHANE M-22 (maneb)—packed in 3 pound and 4 1/2 pound bags for easy-to-calculate mixing in all standard sprayers.

DITHANE is a trademark, Reg. U.S. Pat. Off. and in principal foreign countries.

These two sizes eliminate waste from spillage, and help you make certain the spray solution is exactly the right strength. DITHANE M-22 is particularly helpful in giving tomato plants a luxuriant, green appearance.

DITHANE Z-78 (zinab)—time proved general purpose fungicide. Recognized today as the standard fungicide material.

DITHANE D-14 (nabam)—for economical preparation of maneb or zinab.

For maximum protection against tomato diseases—the way you want it—get DITHANE from your supplier today.

# Church Activities In The Glades

## METHODIST DISTRICT CONFERENCE TO BE MONDAY AT BG CHURCH

Monday a district conference round-up for Methodist churches will be held at Belle Glade Community Methodist Church. District Supt. Clare Cotton of West Palm Beach will preside.

Beginning at 9:30, this meeting is one of 10 such meetings held throughout the state during the latter part of November and the first of December.

Among the conference speakers will be Dr. Ludd M. Spivey, president of Florida Southern College, who will give the main devotion at the conference opening. Dr. George A. Foster, pastor of Park Temple Methodist Church, Ft. Lauderdale, will speak on the Florida Southern College endowment campaign which is now being conducted throughout the state of Florida for the purpose of raising \$1,000,000 for the college.

Rev. David C. Hart, executive secretary of the Conference Board of Education, will speak on Christian Education in the local church. The hour of evangelism will be conducted by Rev. John Sikes, district secretary of evangelism, and Dr. J. Pennington, pastor of First Methodist Church, Orlando.

At 11:30 a.m., Rev. W. G. Sherman, district missionary secretary and Rev. H. Milton Ware, pastor of First Methodist Church, Jacksonville, will be in charge of the worship service, with the theme centered around missions. Missionary speakers from Cuba will be Rev. Luis Lopez Silveira, pastor of the First Methodist Church, Havana, who will be served in Jameson Hall by the women of Community Methodist Church.

The afternoon session will consist of reports from the various committees and the presentation of the Women's Society of Christian Service. The pastors will report on the accomplishments made during the first months of the conference year. Delegates will attend this conference from churches of the West Palm Beach district which lie in the territory from Stuart to the north and Fort Lauderdale to the south and the immediate Lake area.

## GLADES JEWISH COMMUNITY CENTER

Lord of the universe, we lift up our hearts to Thee who made heaven and earth. The infinite heavens and the quiet stars tell of thine endless powers. We turn from our daily toil, from our difficulties and its conflicts, from its clamor and its weariness, to meditate on the serene calm of thy presence which provides all creature and hallows our life with the blessing of peace.

O God, keep my tongue from evil and my lips from speaking guile. Be my support when grief silences my voice, and my comfort when woe bends my spirit. Implant humility in my soul, and strengthen my heart with perfect faith in thee. Help me to be strong in temptation and trial and to be patient and forgiving when others wrong me. Guide me by the light of thy counsel, that I may ever find strength in Thee, My Rock and Redeemer.

Show me thy ways, O Lord; teach me my paths, guide me in truth. Whom Have I in heaven but Thee? and having Thee desire none else upon earth.

My flesh and my heart fail, but God is my strength and my portion forever.

Amen.  
So We Pray.

## MRS. PADGETT AND MRS. JENKINS TO BE HOSTESSES

Mrs. Zona Padgett and Mrs. Hazel Jenkins will be cohostesses Sunday night to the youth of Pahokee First Methodist Church at a social meeting following the worship services, according to Mrs. R. F. Hurt, social counselor of the senior MYF.

Approximately 60 senior and intermediate young people of the church were guests at a patio party held Sunday night at the home of Mr. and Mrs. John Padgett and Mrs. Mary Padgett.

Plans were made for the two circles to have a Christmas party at the home of Mr. and Mrs. Robert Hatten, to which their husbands will be guests. Mrs. Jesse W. Reel was honored with a gift presented by Mrs. Frank Friend from the circle members. Mrs. Carson was welcomed as a new member of the Mabel Simpson circle and Miss Lulu Barfield of the Margery Lair circle. The latter circle members will place flowers in the church in December.

## METHODIST CIRCLES IN MEETINGS THIS WEEK

The five circles of the WSCS of Belle Glade Community Methodist Church met this week.

The Morning Circle met on Tuesday morning at the home of Mrs. Douglas Thompson. Mrs. R. Y. Croach, Jr. presented the devotion, and Mrs. Clarence Kidder had the program on "Confessions of St. Augustine," from the study book on five spiritual classics. Nine members were present.

Joy Circle met Tuesday evening with Mrs. William Carter. The devotion on Thanksgiving, "Attitude of Gratitude," by Norman Vincent Peale, was given by Mrs. Guy Wood, Jr. Mrs. H. E. Garrett had the program and spoke about her recent Cuban trip, emphasizing it is a relation to the women of Cuba, and the work of the missions there.

Star Circle met Tuesday evening at the home of Mrs. Herman Close with six members present. Mrs. Culley Collins had the devotion, using Thanksgiving as her subject. Additional gifts were collected for the church kitchen.

Mary Martha Circle met Wednesday

night afternoon at the home of Mrs. Dora McWhorter. Mrs. George Royal gave the devotion, and Mrs. Herbert Beck gave the study "The Practice of the Presence of God" from the study book on five spiritual classics.

Ruth Naomi Circle met at the home of Mrs. Mildred Haney on Wednesday afternoon. Mrs. D. W. Harris gave the devotion, and Mrs. Robert Allen had the program on "The Initiation of Christ" from the five spiritual classics.

Each of the five circles discussed plans for the dinner to be given Monday noon at the district conference, and for the public ham dinner to be given on Dec. 6 to raise money to refurbish a and redecorate the church kitchen.

The 1956 Buick SPECIAL 4-Door Sedan

This one is the news-maker that's front-page big.

This one is the new Buick SPECIAL for 1956—the biggest bundle of high-powered energy and high-fashion luxury ever offered in Buick's lowest-priced Series.

Just a quick listing of some certain facts will give you the picture.

First—its engine is a big new 322-cubic-inch V8 engine with an all-time high in horsepower for this Series—and an engine that hits the record book at a neat 8.9 to 1 compression ratio.

Second—its getaway—with the double-action take-off of the new Variable Pitch Dynaflow—is spectacular even at only part throttle—and comes with a new boost in gas mileage to boot.

Third—on ride, this new SPECIAL is more than great—with all-coil springing, and torque-tube stability, and a new deep-oil cushioning, and a whole new front-end geometry that adds a wonderful "sense of direction" to the car's travel.

Fourth—on room, luxury, interior finish—there's never been a Buick SPECIAL like this before. From the broad seats to the stunning new instrument panel—there's new decorator smartness and quality throughout.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Enjoy cooled, filtered air for less than you think with Buick's AIRCONDITIONER  
It's a genuine Frigidaire

But get the picture on price, and you have the biggest reason why this sizable automobile is so extra special a buy.

For this Buick comes to you at a figure so close to those of the most widely known smaller cars, the difference in price is small change.

So—come in and see and sample this beauty. You'll find it, we firmly believe, the biggest package of automobile at anywhere near its budget price.

\*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

## FOUR ZUMPF CHILDREN BAPTIZED EPISCOPALIANS

Michael James, Jane Carrie, William Daniel, and Thomas Stuart, children of Mr. and Mrs. Harold Zumpf of Belle Glade, were baptized last Sunday by Rev. John Clarence Petrie, at St. John the Apostle Episcopal Church.

In a Thanksgiving sermon, Father Petrie said that gratitude, not fear, is the basis of religion. He said, "From the time human beings could think, they saw that they were utterly dependent upon some Power outside themselves, for their existence. Thus gratitude is based on reason, and religion of gratitude. The only place for fear in religion is fear that we may displease God who gives us even on the power to sin against Him."

A request offering of the Holy Eucharist was made last Tuesday by Father Petrie, for the repose of the soul of Mrs. Dorothea Seabrook, mother of Mrs. Grant Averill. Mrs. Seabrook died in Belle Glade on Nov. 15. The family are among the oldest friends of Father Petrie, their friendship dating back to 1946 when he served as summer supply pastor of the People's Episcopal Church in Jupiter where the Seabrooks were prominent leaders.

## DRIFT TUBES DUE ASHORE

Drift tubes, released over a period from Oct. 25 until Nov. 1 in the eastern Gulf of Mexico from Sanibel Island north to Panama City, should be showing up along the shoreline on the west and northwest coast of Florida. These tubes, made of clear glass about seven inches in length and one inch in diameter, and weighted at one end, contain cards to be filled in by the finder and returned, postage free, to the Marine Laboratory of the University of Miami, Coral Gables.

The cards contained in the tubes are bright, luminous red in color and are already properly addressed. One hundred of them were released by scientists aboard the M. V. Gerda, laboratory research vessel, to aid in research on the red tide, fish-killing phenomena sometimes prevalent in the waters of the Gulf. This is part of the work being done by the laboratory for the Florida State Department of Conservation upon request of Ernest M. Mittle, director.

Scientists aboard the Gerda were Selwyn J. Bein, scientist-in-charge; Jack Hazen, in charge of the laboratory field station at Boca Grande, John Stimson and Howard Whitney, oceanographers.

## 130 ATTEND PALM-LAKE MEETING MONDAY NIGHT

The Palm-Lake Association of the Baptist-Lake School held a district meeting Monday evening at the First Baptist Church in Belle Glade with about 130 persons, representing 14 churches, present. Belle Glade led in attendance with 48 present. Local members taking part in the program were Carl Hayes, who read the Scripture lesson; Jack Little, in charge of the juniors' conference; and Wendell Carpenter, in charge of the young people's conference.

Members who are students at various schools and colleges will be honored by the youth choir at skating party tonight at West Palm Beach.

The Women's Missionary Union will be in charge of next week's Wednesday evening service. The program will be on foreign missions, and a special offering will be taken for this purpose. Mrs. Junius T. Harris will be in charge of the program.

Wednesday evening, marked the close of the Training Union study course on administration. There has been an average attendance of 60 at the sessions. Edwin Best, director of the Training Union has been in charge.

Wednesday evening, the Church held its annual Thanksgiving service with Rev. U. W. Malcolm speaking on "What Americans Have to be Thankful For."

## TURNPIKE BRIDGE BIDS DUE DEC. 1

DANIA — With all of the original 104-mile bob-tailed turnpike under contract for grading and draining, the Florida State Turnpike Authority will receive bids Dec. 1 for eight more bridges and 32 miles of limber rock base, the Authority said this week.

First limberrock base bid for a 10-mile section in Palm Beach and Martin Counties was received Nov. 17. When bids are received for the additional 32 miles, the Authority said, it will be placed under contract by Feb. 16.

Of the eight bridges, two will be in Broward County, three in Palm Beach County and three in St. Lucie County. Palm Beach and St. Lucie County bridges will carry the turnpike over roads, canals and a railroad and also will carry side roads over the Sunshine State Parkway.
